

Benton-Stearns Education District Speech Language Pathologist 1.0 FTE

The Benton-Stearns Education District 6383 is seeking qualified applicants for 1 or more full time Speech Language Pathologist (1.0) positions. Various positions are available including a single site assignment at our setting IV program at Grafton and an itinerant position serving Part C and our remaining setting IV programs in Sartell and Sauk Rapids.

At Benton Stearns, we serve students from our 6 member districts of: Foley, Holdingford, Kimball, Rocori, Sartell, and Sauk Rapids-Rice. Students in our programs have been referred to us by their home districts due to needing extra support not available in the general education setting. Our programs support students with a variety of disabilities including significant social, emotional, and academic learning challenges in grades kindergarten to twelve plus. During their time at Benton Stearns, students learn life, social, and academic skills with the goal of reintegrating back to their home schools. We are relationship based and use positive support to increase motivation and decrease unexpected behaviors. We offer small class sizes with low adult to student ratios.

Grafton is a therapeutic residential program located in Cold Spring, MN. Residents being served by Grafton require specialized support due to diagnoses of autism, cognitive impairments and various mental health diagnoses which require intensive educational services. The educational team at Grafton will serve a maximum of 30 students with a maximum caseload of 8-10.
