

Benton-Stearns Education District is seeking to add a special education supervisor to our team.

Benton-Stearns Education District serves six member districts in central MN, including Foley, Holdingford, Kimball, ROCORI, Sauk Rapids-Rice, and Sartell-St. Stephen. BSED supports our member district with 2 Setting IV facilities and provides educational services at the Grafton Residential Facility located in Cold Spring, MN.

The Special Education Supervisor will be a member of the BSED Leadership team and will report to the Executive Director. Additional duties may be assigned outside of the primary assignment including program monitoring, staff development, and member district support in areas of expertise.

Experience working in a leadership position in special education is preferred.

License Requirements: Director of Special Education

Licensed in an area of special education instruction (EBD, LD, ASD, DCD) or related field required (School Psychologist, SLP, Social Worker)
