

Substitute Teachers Special Education - Setting IV

The Benton Stearns Education District 6383 is seeking qualified substitute teachers to work in our Setting IV Programs located in Sauk Rapids and Sartell, MN. The programs support a variety of student disabilities for children from kindergarten through age 18+.

Required Qualifications:

Candidates must have a Minnesota teaching license(s). Due to the nature of the program, a licensure in special education (EBD, LD, ASD, or ABS) will be preferred. Other teaching licenses will be considered based on applicants experience and ability to qualify for a Tiered License in MN.

A candidate with a Community Expert and/or Short Call Substitute license will also be considered.

Applicants should have the ability and skills to work with high needs students and work effectively as a member of a team.

Interested candidates complete the district certified employment application <https://www.bentonstearns.k12.mn.us/about> and contact Cindy Pedersen: Program Supervisor.
