

Speech Language Pathologist 2017-18 School Year

.2 FTE for the 2017-18 School Year

Benton-Stearns Education District has an opening for a part-time speech language pathologist to support the early intervention program that serves children Birth to 3 years of age. The SLP will be responsible for responding to on-going referrals, conducting evaluations as part of a multi-disciplinary team, and providing direct/indirect services to children in the 6 member districts.

Please send letter of interest, resume and credentials to Alicia Jepsen, Executive Director:
